Age Division					
Gremlin	2009-2010	2010-2011	2011-2012	2012-2013	2013-2014

SECTION 8.06 CONFERENCE CHAMPIONSHIPS:

a. Administration/Host Clubs

The Board shall administer the Conference Championships meet. The host clubs of the prior year's League Finals meets in each division shall co-host the current year's County Championships meet.

The host clubs administer the organization and set up of the meet. The actual work is distributed among all of the clubs. The host clubs shall ensure that the operational needs of the meet are met. They shall appoint officials, prepare the facility, and supply the necessary equipment and supplies for the meet. The non-host clubs may be required to provide materials by the host clubs. Generally, the host clubs, with league approval, obtain the facility along with materials that are normally in place such as hurdles, pads, and PA system. The other clubs bring the materials to perform their assigned tasks such as starting guns, watches and measuring tapes.

The rotation for host clubs is contained in the conference bylaws, and is shown in the table below:

Year	Finals (West)	Finals (East)	Championships
2018	Oxnard	Moorpark	Ventura/Camarillo
2019	Heritage Valley	Thousand Oaks	Oxnard/Moorpark
2020	Ojai	Newbury Park	Heritage Valley/T.O.
2021	Ventura	Camarillo	Ojai/Newbury Park
2022	Oxnard	Moorpark	Ventura/Camarillo
2023	Heritage Valley	Thousand Oaks	Oxnard/Moorpark
2024	Ojai	Newbury Park	Heritage Valley/T.O.
2025	Ventura	Camarillo	Ojai/Newbury Park

b. Site Determination

The Conference Board shall first make the choice of the location of the Conference Championships meet. An all-weather track and nine lanes are required. The conference will pay the cost for the facility. The host clubs will keep the snack bar proceeds unless an alternative arrangement is made.

c. Meet Officials

The host clubs shall ensure that the key officials listed in Title 3 of this rulebook are available for the meet. Key official positions shall not be combined at the Conference Championships meet. There is also a special requirement for at least 12 relay zone judges at this meet. The host clubs may select key meet officials from any of the member clubs. This practice is in place so that the strongest, most knowledgeable officials are available. All attending clubs are required to supply meet officials if requested.

d. Awards

The Conference Board shall have the authority to approve of and acquire distinctive awards for the Conference Championship meet. Unless otherwise changed by the Board, the awards shall consist of medals for the first five (5) places and specific place ribbons for sixth through ninth places. Participation awards shall be provided for those athletes who qualify for but do not “place” in the Conference Finals meet.

e. Qualification for Individual Events

Qualification for an athlete to enter Championships meet in an event is automatic when that athlete is in the Top 9 for laned and field events and top 12 in non-laned events. Qualification shall be on an event by event basis. Athletes may choose to participate in as many events as they are qualified for in the Championships meet.

Qualification shall only be achieved in an approved Conference dual or triangular meet of the current season or in the Southern California Youth Invitational Meet.

Qualification for Conference Championships shall not be achieved at the Conference Finals.

If an athlete who has qualified into Championships competes in that event in the Finals meet he/she shall not be eligible to compete in that event at the Championships meet.

Tie-Breaker Policies: If there is a tie for 9th/12th place in running events, the athlete with the next best time in that event will qualify over the other athlete. If there is not a next best time in that event for both athletes, then both athletes will qualify. All 9th place ties in Field events will qualify for the Championships meet.

f. Qualification for Relay Events

Each VCYTC club has the option of fielding one relay team in each age group/gender for the 4 x 100 and 4 x 400 relay events at the Championships meet.

There will be no additional teams permitted to enter relay races at the Championships outside of the one team allotted to each club.

A relay team member need not have run on any relay or competed with the other members of any relay prior to the Championships meet.

Relay teams will be seeded as specified in the Appendix.

There will be no additional teams permitted to enter relay races at the Championships beyond one team per club, unless a club has 6 or more athletes that have qualified for the Championships meet in the 100 and 200 meters (for the 4x100) and 400 meters (for the 4x400).

Qualification for the Co-Conference Championships can be accomplished in either the Conference Championships or Finals meets.

After the conclusion of the Championships meet, relay results of both Finals meets along with the Championships meet will be combined and presented as part of the Co-Conference seeding process and/or meeting to determine who represents the VCYTC in relay events. The four (potentially 5) fastest times from those combined results will be entered into the Co-Conference Championships according to the seeding process currently in place for that meet.

- g. Each Association will be allowed to have two (2) Gremlin Coaches with the Athletes on the infield. No coaching is allowed; but the coach is to provide assistance to the athletes to get into staging and the start line or event on time.
- h. Order of Conference Championship Running/Events - See Appendix.

At the Conference Championships, if a relay team should not qualify and there are less teams than 4 advancing to the Southern California Youth Championship Meet, then that relay team can be added to the last seeded VCYTC team to advance.

Every club must submit 3 “club certified” zone judges, plus 1 alternate or a total of 4 judge names prior to the Meet to the Conference Meet Director. The Meet Director will select 3 from each Association. Only the Head Zone Judge may speak to the athletes. The Head Zone Judge (flag holder) can only state to the athletes, “where the acceleration zone starts and ends or from little triangle to big triangle” and “where the passing zone starts and ends or from big triangle to big triangle,” And, if asked any questions by the relay athletes, the Head Zone Judge may only respond by saying, “do what your coach has taught you to do.” No zone judge may judge their own team in a lane assigned; if necessary the zone judge must switch lanes with another zone judge in order to comply with the rule. If a club or coach does not agree with a judgment or a disqualification rendered during the event, the club has 30 minutes to file a protest pursuant Article 6 with the Meet Director. A \$50 cash fee/protest must be paid in advance and the appeal will be reviewed by the Meet Director and Jury of Appeals once the protest has been filed and heard. The decision by the Director/Jury of Appeals is binding and final. If the protest is upheld, the \$50 fee/protest will be returned to the protester.

- i. Coaching is allowed outside of track fence and/or barriers at venue as long as that coaching does not interfere with any meet officials or other athletes. Coaches/parents will get one warning regarding event or meet interference or conduct. At the second offense they will be removed from the area for the remainder of the meet.
- j. No coaches or parent volunteers are allowed on the infield of the track/field fence and/or barriers at venue, unless they are volunteering for a specifically assigned responsibility and/or event. 1st Offense - The coach or parent volunteer is requested to leave infield immediately and not return;

2nd Offense - The coach or parent volunteer is requested to leave the stadium immediately until the meet is finished; if the coach or parent volunteer does not comply the conference/club must suspend coach or parent volunteer for 2 weeks/2 meets served in that season and/or following season. If additional coaches or parent volunteers from the same team are requested to leave infield then coaches or parent volunteers are requested to leave the Stadium immediately until the meet is finished. If this coach or parent volunteer does not comply the conference/club must suspend coaches or parent volunteers for 2 weeks/2 meets served in that season and/or following season.

3rd Offense - All of the club coaches of offending coach(s) and parent volunteers must clean-up all trash in stadium/field at the end of the meet or the conference/club of the offending coaches or parent volunteers must be suspended for 4 weeks/4 meets served in the that season and/or following season.

Field events will be conducted in the same order as the Southern California Youth Championship. All field events will begin at the start of the meet and run concurrently.

SECTION 8.08 SOUTHERN CALIFORNIA YOUTH CHAMPIONSHIPS

- a. A Southern California Youth Championship Meet will be held on a Saturday and location to be determined by the Joint Conference Board of Directors. Failure to provide help or assistance will result in a \$250 fine for the meet.
- b. All rules will follow VCYTC and SCYTFC Rulebooks; unless, specifically stated in this section, which takes precedent.

The added athletes will have the next fastest times, higher heights or furthest distances, regardless of Conference.

In the event that any Southern California Youth Championship qualifier declares, prior to the Southern California Youth Championship seeding meeting, that they will not be competing in one or more of their scheduled events, the conference may invite the next fastest, furthest and highest place finisher(s) in all running and field events.

- d. In the 800, 1600, and 3200 Meter runs, the number of qualified runners shall be 16 athletes, the top eight finishers from each conference. The start for the 800 and 3200 meter runs will be a two-alley waterfall.

The Meet Director is in charge of all phases of meet operations. The Director shall insure that the facility is prepared, that the necessary equipment and supplies are available, and that all of the requisite meet officials are available, instructed and assigned for each activity. In addition, the Director shall be responsible to see that the meet, as a whole, is conducted in an efficient and timely manner. Furthermore, the Director shall be required to establish a jury of appeals before the start of each meet.

ARTICLE 2 - JURY OF APPEALS

The Jury of Appeals shall consist of the Meet Director (or designee) and one official from each Association in

the meet.

ARTICLE 3 - TIMER/SCORER

The Timer/Scorer shall use Finish Links & Meet Manager or equivalent and shall direct the Finish Line Judge.

ARTICLE 4 - FINISH LINE JUDGE

The Finish Line Judge is in charge of the finish line and shall be responsible to record on conference-approved forms the finish places. The Finish Line Judge works at the direction of the Timer/Scorer.

ARTICLE 5 - HEAD OF AWARDS

The Timer/Scorer is responsible for recording the results of the Southern California Youth Invitational, Conference Championships, Conference Finals and Southern California Youth Championship Meets heats on conference approved forms and for preparing and distributing the awards.

ARTICLE 6 - CLERK OF THE COURSE (STAGER)

The Clerk of the Course is responsible for organizing all of the competitors in a running event into the proper age group divisions, determining the number and composition of flights, and assigning lanes. He/she is also responsible for sending the competitors to the starting line

ARTICLE 7 - ANNOUNCER

The Announcer is responsible for giving the proper announcements to aid the competitors in reporting to their events.

ARTICLE 8 - STARTER

The Starter has sole jurisdiction over the activities at the starting line. The Starter shall make certain that all athletes receive a fair start in the race. The Starter shall be the exclusive judge of whether or not any competitor commits a "false" start (starting violation). The Starter shall be responsible for calling aloud the laps remaining to the competitors. The Starter may use an Assistant Starter. The Assistant Starter shall work at the direction of the Starter. The primary duty of the Assistant Starter shall be to observe the start and recall the race should a starting violation occur. The Assistant Starter may also assist the Starter in final lane assignments or reassignments, starting block placement, and in generally insuring against unnecessary delays at the starting line.

ARTICLE 9 - HEAD FIELD EVENT JUDGES

There shall be one official designated at each field event site as the Head Official for that event/site. The Head Official shall be responsible for the supervision and proper conduct of the event at that site. He/she shall insure that the judging, measuring, and recording are performed according to these rules. The Head Event Judge shall, at the conclusion of each age group division competition, review the results for completeness, accuracy, and legibility. He/she shall determine the finish placement of all athletes entered and transmit those results to the Awards table

ARTICLE 10 - RELAY ZONE JUDGES

There shall be at least one relay zone judge located at each of the three relay exchange zones. He/she should have two flags (preferably Red and Green or White) to be used for three purposes: First to indicate that the competitors at his/her zone are ready for the race to start; Second to indicate whether legal or illegal passes were observed in that zone after all runners have exchanged. Third to release runners who have passed the baton in each exchange zone. All runners must stay in their lane until the zone judge raises a flag to indicate that all exchanges have been completed (preferable green for OK and red for a violation). Zone judges should remind competitors of this requirement before their race begins. In instances where a collision occurs, the zone judge must determine the spot of the collision, and which team was legally occupying that lane in order to determine which team committed the infraction. More than one zone judge would be very useful. Zone judges are cautioned that the position of the baton during an exchange is what determines a legal pass, not the bodies or feet of the competitors.

At Conference Championship and Southern California Youth Championship Meets each of the conference associations shall provide at least one knowledgeable official (preferably including the president) to serve as a zone judge. There will be four officials at each zone, two at the beginning of the zone, and two at the end of the zone.

ARTICLE 11 - OTHER MEET OFFICIALS

The Meet Director shall insure that sufficient adult meet officials and workers are available so as to provide an orderly and efficient meet.

It is strongly recommended that the Meet Director provide inspectors during the conduct of the relay races and hurdle events as a minimum. The inspector(s) shall be responsible for detecting and reporting to the Referee any running, Hurdle or Relay infractions observed.

ARTICLE 12 - COMBINING POSITIONS

The host Association shall, if at all possible, assign a different individual to each of the positions listed in this section.

If the number of knowledgeable individuals does not permit separate assignments, the Host Association, through the Meet Director may combine Key Official duties as necessary.

As a guideline only, it is suggested that the following positions may be combined: (a) Meet Director and Referee; (b) Announcer and Clerk of the Course; and (c) Finish Coordinator and Recorder

4 TITLE 4: SCORING RESULTS, AWARDS, RECORDS

ARTICLE 1 - TEAM/ASSOCIATION SCORING

There will be no team/association scoring.

ARTICLE 2 - RESULTS

Unless otherwise voted by the Conference Board of Directors, the League Finals awards shall consist of specific place ribbons for first through eighth place. Participation awards shall be given to all finishers beyond eighth place.

If multiple flights are formed in any League Finals event, either running or field, each flight shall be awarded separately.

SECTION 3.04 CONFERENCE CHAMPIONSHIPS MEET

The Conference Board of Directors shall have the authority to approve of and acquire distinctive awards for the County Championship meet.

Unless otherwise changed by the Conference Board of Directors, the awards shall consist of medals for the first five (5) places and specific place ribbons for sixth through ninth places.

Participation awards shall be provided for those athletes who qualify for but do not “place” in the County Championship Meet.

SECTION 3.05 SOUTHERN CALIFORNIA YOUTH CHAMPIONSHIP MEET

All athletes participating at the Southern California Youth Championships 8th, 9th, or 10th lane events and 1st-16th in 800, 1600 and 3200 meter races, including up to two (2) alternates per relay team will be awarded medals.

ARTICLE 4 - RECORDS

RECORD-BREAKING PERFORMANCES will recognize the winner in the running events, and other place finishers who are recorded with identical times. The record is valid even though it is made during a preliminary heat and regardless of whether the competitor wins a place in the final event. In the FIELD EVENTS, A RECORD will be recognized for each contestant when two or more tie at the record height or distance even though the points and places in the event are determined by the Olympic method for breaking ties. A record in the field events is valid even when it is made in a preliminary trial and regardless of whether the competitor places in the final standings. All VCYTC records must be recorded in VCYTC Meets that are defined as "Conference Championships" or "Southern California Youth Championships" meets.

Meet records will be maintained for the Southern California Youth Invitational, Conference Championships, Conference Finals and Southern California Youth Championship Meets and can only be set at those meets.

5 TITLE 5: COMPETITORS AND COACHES

ARTICLE 1 - RESPONSIBILITY TO REPORT

SECTION 1.01 REPORTING

The competitor is solely responsible to report promptly at the third call for any event he/she is entered.

Competitors shall report to the staging area for all running events, including relays.

Competitors shall report to the field event site for field events.

The competitor shall be responsible to report regardless of the calls made or heard, the facility limitations including the public address system, or the timing of the meet. Each competitor shall inform him/herself as to the progress of the meet and report for events they are entered.

ARTICLE 2 - ATHLETE'S EQUIPMENT

SECTION 2.01 UNIFORM

The competitor shall wear the uniform that is issued or approved by his/her Association.

A uniform top is required for all competition.

The uniform shall not contain any commercial messages or endorsements of any kind. Manufacturers' logos placed on the garment at the time of manufacture shall be acceptable.

The uniform shall be clean, designed and worn so as not to be objectionable to the Referee. It shall be made of a material that is not transparent even if wet.

If other clothing is worn, it must be worn under the uniform top.

All members of a relay team shall wear a top of the same color and design. This rule shall be interpreted so as to allow the "year to year" variances that may occur in Association supplied uniforms.

SHOES

The competitor shall be required to wear shoes during the competition.

Gremlin age group divisions shall not wear spiked shoes. Spiked shoes are defined as shoes capable of holding spikes whether or not the spikes are used.

Spiked shoes shall be optional in all age group divisions, except Gremlins. Gremlins may not wear spiked shoes. Spiked shoes shall not be worn in the shot put.

Spiked shoes shall be removed when not actually in competition except when the competitor is going directly from one event to another.

The maximum thickness of the sole of the shoe shall not exceed one half inch and shall not contain any spring, lift or other mechanical device that offers a material aid to the competitor.

The sole and/or heel of the shoe may have grooves, ridges, indentations, or protuberances provided these features are constructed of the same or similar material to the sole itself.

The maximum number of spikes allowed is seven (7) per shoe; all of which must be located in the fore foot. The maximum spike length will be 3/16" Pyramid style.

Host Associations shall have the authority to determine the type and length of spike allowed on their home facility

ARTICLE 3 - ATHLETE'S CONDUCT

Unsportsmanlike conduct is conduct that is offensive, unethical, or dishonorable in nature. It includes action and/or language that will bring discredit to the individual or his/her Association. Disrespectfully addressing an official, using profanity, criticizing an opponent or an official, and destruction of the facility or any equipment (personal or otherwise) are examples of unsportsmanlike conduct.

The penalty for unsportsmanlike conduct is disqualification from further participation in the meet including

any event in which the individual is involved or had just completed at the time of the infraction. All events completed prior to the point of disqualification shall stand.

Unacceptable conduct includes willful failure to follow the directions of a meet official, rude and/or obnoxious behavior, or criticizing a teammate.

The penalty for unacceptable behavior is disqualification from the event if participating in an event. If a non-participating athlete is involved, he/she shall be warned and on a second offense, be disqualified from the meet.

ARTICLE 4 - COACH'S CONDUCT

Coaches shall conduct themselves in a manner that is exemplary to the athletes at all times.

All coaches will be required to complete a mandatory background check prior to coaching and complete every 5 years if they are continuously volunteering or as requested by the conference. Any break in those 5 years, then another required background check must be performed immediately.

Coaches shall not use profane language or consume alcohol at any meet site before, during, or after the competition.

Smoking or other use of tobacco and alcohol is not allowed at the meet site.

Coaches shall avoid agitated confrontations with meet officials and other adults at the meet. Proper appeals process shall be used for protests and disputes (Coaches shall be allowed in the immediate area of competition unless requested by the Meet Director or Field Event Judge to remove themselves from the area. If requested to leave, a coach shall immediately comply.

The Referee shall have the authority to disqualify a coach, or other adult, from further participation in the meet. If sufficient justification exists, the Meet Director may request that the offending adult be removed from the meet site. In extreme cases, the meet can be stopped, and the police called.

ARTICLE 5 - CONDUCT OF PARENTS AND OTHER ADULTS

Unsportsmanlike conduct is conduct that is offensive, unethical, or dishonorable in nature. It includes action and/or language that will bring discredit to the individual or to the individual's Association. Disrespectfully addressing an official, using profanity, criticizing an opponent or an official, and destruction of the facility or any equipment (personal or otherwise) are examples of unsportsmanlike conduct.

The penalty for unsportsmanlike conduct on the part of an adult is banishment from site of the meet for the remainder of the day. If compliance with such a penalty is not voluntary, it may be necessary to stop the meet until the offending adult departs. Announcing the reason for the stoppage would provide further incentive. The next step would be to call the civil authorities. In an instance where it is necessary to call the police, the individual involved will be banned from all Conference activity for the balance of the calendar year and all of the following calendar year.

ARTICLE 6 - STEPS OF DISCIPLINE

- (a) Any individual (coach, Board member, parent, etc.) who strikes another person, or makes physical contact with another person in an aggressive, intimidating, threatening, or assaulting way during a Conference event (which shall include traveling to and from the event) shall be banned from all Conference activities (this includes individual Association activities) for the balance of the calendar year, and for the complete calendar year following the incident. Banned shall be defined as not attending any Conference or Association sponsored activity whatsoever in any capacity (even as a spectator), including

team/association practices, any and all meets, and participating as or with the Association. If an athlete strikes another person, or makes physical contact with another person in an aggressive, intimidating, threatening, or assaulting way during a conference event, he/she shall be banned from all Conference activities (this includes individual Association activities) for the balance of the calendar year.

- (b) In the event a parent or legal guardian who has been banned refuses to abide by the terms of banishment, his/her registered child will be banned from all Conference activities for the balance of the calendar year.
- (c) The Conference Board shall meet as soon as possible following an incident as described in 7.01(a), but no later than ten days after the incident.
- (d) Should an individual commit a second infraction he/she shall be permanently banned from the Conference with no method of reinstatement.

6 TITLE 6: RUNNING EVENTS

ARTICLE 1 - FACILITY DESCRIPTION

Please refer to Appendix I of this Rulebook for a description of the track facility and markings.

ARTICLE 2 - METHOD OF CONDUCTING EVENTS

The following events shall be conducted entirely in lanes:

- (a) 100 Meter Dash / 100 Meter Hurdles
- (b) 200 Meter Dash / 4x100 Meter (400 Meter) Relay
- (c) 400 Meter Dash
- (d) The 200 Meter Dash shall be run around one curve.
- (e) The 800 Meter Run shall preferably be run in lanes around one (1) curve and the competitors allowed to "break" for lane one at the start of the back straight-away. If the track is not surveyed for a one turn stagger or a field is larger than 9 competitors, a curved or "waterfall" start may be used. With a curved starting line, competitors shall not be assigned lanes and shall be allowed to "break" for lane one as soon as it can be done safely.

The 1600 and 3200 Meter Runs shall not be run in lanes. A curve line, or "waterfall" start shall be used. Athletes should be cautioned to cut in safely. Note: a non-lane distance race can be stopped if a runner falls within the first 100 Meters. For only the 800 and 3200 meter runs, when there are more than 12 athletes in a race they may be divided into two groups: with one group of approximately 65 percent of the athletes on the regular (inside) arced start line fastest to slowest 5-12; and the other (outside) group on a separate arced start line marked across the outer half of the track with the fastest athletes inside to outside 1-4, etc. The other group shall run as far as the end of the first bend on the outer half of the track. If there are more than 12 athletes in the race, a balance of 65 percent and 35 percent should be used up to the maximum limit allowed in these events. [Example: 800

The separate arced start line shall be marked in such a way that all the athletes shall run the same distance. A cone or other distinctive mark shall be placed on the inner line of the outer half of the track at the beginning of the following straight to indicate to the athletes of the outer group where they are permitted to join the athletes using the regular start line. At this point the intersection of the 800 and 3200 break lines and the inner line come together and all athletes can safely break down the straight away. VCYTC RULEBOOK

- (f) The 4x400 Meter/Relay shall be run with a three (3) turn stagger and the first leg shall be run in lanes. The first leg shall be run in lanes until the baton has passed the finish line. The clean-up runner may then cut in to lane one after crossing the 3rd turn line and as soon as it can be done safely. The third and fourth runners may be run in lane one at any time provided they don't interfere with other runners. If a track is measured in yards, then a two-turn stagger is permissible.

ARTICLE 3 - FORMING RACES (STAGING)

SECTION 3.01 CLERK OF THE COURSE

The Clerk of the Course ("Stager") shall be responsible for forming races, assigning lanes, and combining races.

The Clerk of the Course will attempt to organize the athletes in order by best times.

SECTION 3.02 RACE MAXIMUMS

The Clerk of the Course shall not place more than the following number of competitors in the events noted:

Laned races, one competitor per lane except for laned 800. Laned 800, maximum of 12 competitors one in each lane except for lanes 4,6,8 which may have 2 competitors. Non laned 800, 18 competitors, 1600 18 competitors, 3200 24 competitors.

Each Association is responsible in providing accurate times based on mock meet or time trials for their athletes prior to the start of the regular season and use these times along with best times and marks from previous meets during the regular season. All athletes must come to staging with a competitor event label, with an established time or mark for their event. Any athletes with no time or mark (NT), will be seeded after the athletes with times and marks, and at the discretion of the head stager. It is recommended that the coaches bring the event athletes in time or place order to the head stager to help expedite the timing of the meet. No coach or association representative can add a (hip) number or enter an athlete into staging or the meet. Once athletes have been sent to staging, no coach or association representatives are allowed in the staging area or can they change the order of seeding on the benches. No athlete can be added to the event once the head stager has numbered the athletes and/or entered the athletes into the timing system.

ARTICLE 4 - LANE ASSIGNMENTS

Lane assignments for laned races and starting positions for non laned races shall be by best times of the
VCYTC RULEBOOK

current season. If an athlete (s) has no best time, they will be assigned starting lanes after those athletes with best times at random by the Clerk of the Course (Stager).

ARTICLE 5 - THE START AND STARTING

SECTION 5.01 CONTROL OF THE START

The Starter shall have exclusive control of the start of all races and the Starting line and immediate area.

All decisions regarding false starts and fair starts shall be made by the Starter and shall be final and without appeal. The Starter may be assisted by a second Starter. The Assistant Starter shall have the same authority to recall races as the Starter. In all cases, the Assistant Starter shall work at the direction of the Starter.

SECTION 5.02 PRACTICE STARTS

Practice starts in conjunction with the Starter's commands shall not be allowed. Practice starts not in conjunction with the Starter's commands shall be allowed.

SECTION 5.03 PISTOL START

All races shall be started by the report of a pistol or device that can be cocked can fire twice without requiring reloading, and which produces sufficient flash/smoke so as to be visible to the timers.

A "snapped cap" (a misfire) does not indicate a start.

As a guideline, the report of the pistol should be loud and equally distinguishable to all competitors to be started. This should be tested when starting at a maximum stagger start such as the 400 meter dash and under the maximum ambient (e.g., crowd) noise present.

SECTION 5.04 STARTING COMMANDS

The starter shall use the following commands regardless of age of the competitors or starting position used by the competitors:

- (a) For races up to 400 meters and any relay with the first leg of 400 meters or less, two commands shall be used in the order and manner shown prior to firing the gun:
 - 1) **"ON YOUR MARKS"** At this command, the runners will immediately and without delay take their positions behind the starting line. They shall remain steady and quiet until the Starter gives the next command.
 - 2) **"SET"** At this command the runners shall at once and without delay, assume their full and final set position. When all competitors are set and motionless, the Starter shall fire the pistol. The interval between the "SET" command and the firing of the gun shall be approximately one (1) to two (2)

seconds. If any competitor is in motion after the "SET" command the Starter shall not fire the gun.

- (b) For races of 800 meters or longer, one command shall be used prior to firing the gun:

- 1) **"RUNNERS SET"**

It is suggested for races of 800 meters and longer and not run in lanes that the competitors are positioned approximately one (1) meter behind the starting line. At the "RUNNERS SET" command the runners move up to the starting line and are prepared for the firing of the gun.

For races or conditions where distances between the Starter and all those to be started, or where ambient (crowd) noise prevents verbal commands being heard, the Starter may use a whistle in lieu of the verbal commands.

Once the runners are in position, the starter shall ask the timers if they are ready prior to the "RUNNERS SET" command. At the "RUNNERS SET" command the Starter shall raise both hands (including the gun hand) as a further alert to the timers. Both hands shall remain over the head until after the gun is fired. The Starter shall raise both hands even though only one verbal command is given prior to firing the gun.

SECTION 5.05 RACE INSTRUCTIONS

The Starter shall be responsible for giving the competitors instructions prior to the Start of the race. The instructions must include the following:

- (a) Confirmation of the race and the distance.
- (b) The Starting commands to be used, especially if a whistle start will be used.
- (c) A reminder of requirements to run in lanes or, for non laned races, when the runner may move to lane one.
- (d) Where the finish line is, and where runners may "cut in" if applicable.
- (e) For the 4 x 400M relay, exchange zones and rules should be explained.
- (f) For 4 x 100M relays, the #1, #2, and #3 runners must be instructed that they must stay in their lanes after the exchange until after the zone judge raises a flag to indicate that all runners have completed their exchange.

The Starter may include any other instructions useful to the proper conduct of the event.

SECTION 5.06 STARTING VIOLATIONS

It shall be considered a "false" start by a competitor if he/she:

- (a) Fails to comply promptly with the commands of the Starter.
- (b) Intentionally distracts opponents.
- (c) Has any part of his/her body in contact with the Starting Line or running surface beyond the line when the gun is fired.
- (d) Fails to remain motionless after assuming the "Set" position prior to the gun being fired.
- (e) Leaves their mark with hand or foot after the "Set" command but before the gun is fired.
- (f) If using a crouch start, does not have both hands in contact with the ground.
- (g) If using starting blocks and a crouch start, does not have both feet in contact with the blocks.

Upon any starting violation, the Starter shall warn the responsible competitor and explain the violation. Upon a second violation by the same competitor, that competitor shall be disqualified from the race and removed from the race. The violations need not be for the same reason nor sequential if more than two violations have occurred in the start of the same race.

NOTE: In practice, when one or more competitors makes a False start, others are inclined to follow and, strictly speaking, any competitor who does so has also made a false start. The Starter should charge the competitor or competitors who, in his/her opinion, were responsible for the false start. This may result in more than one competitor being charged with a false start. All competitors who are charged with a false start must be informed that they are out of the competition if they commit another. If the unfair/false start was not due to any competitor, no competitor shall be charged.

If the first leg of a relay team is disqualified at the start, the entire team is disqualified.

SECTION 5.07 UNFAIR AND RECALLED STARTS

If the Starter has fired the gun and a starting violation has occurred, or, in the Starter's opinion an unfair start has occurred, he shall recall the race with a second firing of the gun.

The Starter may stop the starting sequence at any time prior to firing the gun by ordering the competitors to "Stand up". After a brief period of adjustment, the Starter must again start the sequence as prescribed above.

SECTION 5.08 STARTING POSITIONS

A competitor may use a standing start OR a crouch start with or without starting blocks (provided that starting blocks are allowed).

When the competitor uses a crouch start, both hands must be in contact with the track surface in the "SET" position.

If starting blocks are used with a crouch start, both feet must be in contact with the starting blocks.

SECTION 5.09 STARTING BLOCKS

Starting blocks may only be used in any race up to and including the 400 meter dash or any relay 1st leg where the first leg is 400 meters or less.

Use of starting blocks is allowed for any competitor in the races noted provided the competitor possesses sufficient knowledge and ability to use them. The Starter shall have the authority to deny the use of blocks to any competitor who, in the Starter's sole opinion, is unsafe in their use of the blocks or, unduly delays the progress of the start because of the use of blocks.

Starting blocks must be positioned entirely in the competitor's assigned lane.

No part of the blocks may touch or overlap the starting line.

No springs, hand grips or supports are allowed.

The host Association shall have the right to approve starting blocks used on their track.

ARTICLE 6 - RUNNING INFRACTIONS ("FOULS")

It shall be counted as an infraction (or "foul") if the competitor:

- (a) Jostles, cuts across, or obstructs another competitor so as to impede the other runner's progress. Actual contact is not necessary; any action that causes another runner to break stride or lose momentum is sufficient.
- (b) Veers to the right or left so as to impede a challenging runner and forces the challenging runner to run a greater distance.
- (c) Voluntarily leaves the track, and presumably the race, and later returns to continue the race.

- (d) Tries to force his/her way through two other competitors and makes direct contact so as to impede the progress of either.
- (e) Steps on the curb (or curb line if painted) purposely to shorten the course or gain an advantage.
- (f) Is assisted by a non-competing member, a coach, or another participating member by pacing, coaching, or other material means.
- (g) When the competitor is not materially assisted and the only offense is that a non-participant in the race is running alongside or coaching, the participating athlete shall not immediately be disqualified. The non-participant shall be first warned and, if he/she continues or is guilty of a second occurrence, then participating athlete shall then be disqualified.
- (h) Joins hands or clasps another runner at any time during the race.
- (i) In a laned race, runs in a lane other than the one assigned to him/her. Running in another lane for two (2) strides or less on the straight-away shall not constitute an infraction if no material advantage is gained.
- (j) In a laned race around a curve, runs on or to the left of the left lane line for three or more steps. This rule shall not apply if the competitor ran outside the lane because he/she was fouled by another competitor. It shall not be an infraction (foul) if the runner runs on or over the right lane line provided no other foul takes place and the runner in the other lane is unaffected.
- (k) In a race run partially in lanes, the competitor breaks from his/her lane prior to the break line.

Except as noted above, the penalty for any of the above infractions is disqualification from the event. No prior warnings shall be required.

ARTICLE 7 - TIMING AND THE FINISH

SECTION 7.01 FINISH LINE

The finish line shall be plainly and visibly marked on the track. It shall be marked so that it is a minimum of 5.08 centimeters (2") wide and extends unbroken across all lanes of the track.

The marked line shall be made such that it is outside the course of the race.

The actual finish shall be the edge of the finish line that is closer to the start.

SECTION 7.02 FINISH LINE CONTROL

The Head Finish Coordinator shall have jurisdiction over the activities at the Finish Line.

The decisions of the timers and the Head Finish Coordinator shall be final and without appeal except for the actions of the Referee and Jury of Appeals (if used).

SECTION 7.03 METHOD OF TIMING

The official time of a race starts with the flash/smoke of the Starter's pistol or device.

The time of a race stops when any part of the competitor who is being timed reaches the finish line with his/her torso (the part of the body between the shoulder line and the crotch that does not include the head, neck, arms, legs or feet).

The host Association shall ensure that there is sufficient timing capability to time each competitor in the race. If sufficient timing capability is not available, the number of competitors in the race shall be reduced by forming additional races.

SECTION 7.04 FINISH PLACEMENT

The finishing order of the competitors shall be determined by the order in which any part of their bodies (i.e., torso as distinguished from the head, neck, arms, legs, feet or hands) reaches the finish line first.

SECTION 7.05 RECORDING TIMES

Times shall be recorded for all runners entered in the race.

A time shall be defined as a "hand" time if the time is not started automatically by the Starter's gun. A system that stops a time automatically, but is not started automatically is a "hand" time.

Hand times shall be recorded to the tenth (1/10) of a second even if the watch displays the time to one hundredths of a second.

Times that have been taken in hundredths shall be rounded to the next longer tenth. For example, 12.21 would be rounded to 12.3 seconds.

SECTION 7.06 HURDLE PLACEMENT/ORDER OF EVENTS

The hurdles shall be placed so that the turn over force (resistance) is less toward the finish line and such that the base of the hurdle is on the side of the approach of the runner.

The hurdles shall be located on the track in the following order of events:

DIST	DIVISION	FLTS	HURDLE	TO	BETWEEN	LAST
			HT.	FIRST	HURDS	To
						FINISH
100 M	Intermediate Boys	10	33"	13 M	8.5 M	10.5 M
100 M	Youth Boys	10	33"	13 M	8.5 M	10.5 M
100 M	Intermediate Girls	10	30"	13 M	8.5 M	10.5 M
100 M	Youth Girls	10	30"	13 M	8.5 M	10.5 M
80 M	Midget Girls	8	30"	12 M	7.5 M	15.5 M
80 M	Midget Boys	8	30"	12 M	7.5 M	15.5 M

SECTION 7.07 HURDLE INFRACTIONS

It shall be an infraction ("foul") and the competitor disqualified from the race if he/she:

- (a) Advances or trails a leg or foot alongside or below the top horizontal plane of the hurdle at the instant of clearance.
- (b) Runs around or under a hurdle.
- (c) Runs over a hurdle not in his/her lane.
- (d) Impedes another runner even if no lane violation is evident or takes place.
- (e) Deliberately knocks down any hurdle by hand or foot.
- (f) Does not attempt to clear each hurdle (just knocks them down).
- (g) Except as noted above, the knocking down of one or more hurdles does not disqualify the athlete.

In addition to the above infractions that are specific to the Hurdles, the General Running event infractions shall also apply.

ARTICLE 8 - RELAY RACES

SECTION 8.01 RELAY RACES DEFINED

Relay races are races between teams each of which consists of four (4) competitors, no one of which may run more than one distance (Leg). All legs of the relay must be the same distance.

Each Leg is run in succession by carrying a baton in the hand and passing it to the next leg. The final leg carries the baton across the finish line.

Competitors must compete in their own division with the following exceptions: Youth Girls/Boys may run on Intermediate Girls/Boys Relays.

The Relay events are:

- (a) 4x100 meter Relay
- (b) 4x400 meter Relay

SECTION 8.02 EXCHANGE ZONE DEFINED

The Exchange Zone shall be 20 meters (65'8") long and formed by lines drawn 10 meters (32'10") on either side of the exchange zone center line. The line drawn prior to the exchange zone center line is the Exchange Zone beginning line; the line drawn after the exchange zone center line is the Exchange Zone End line.

In the 4x100 Meter Relay the exchange zone center lines are exactly 100 meters apart (on the track). The exchange zone center line for the first zone is 100 meters from the starting line for that lane. The exchange zone center line for zone 2 is 200 meters from the starting line for that lane and is also the starting line for the 200 meter dash. The exchange zone center line for zone 3 is 300 meters from the starting line for that lane and is also the starting line for the 100 meter races (if the 100 meter races are run from that location at the facility).

The center line for the 4x400 meter Relay is the finish line. There is only one zone for the 4x400 meter Relay.

SECTION 8.03 ACCELERATION ZONE DEFINED

In the 4x100 meter Relay, there shall be a distinctive mark placed on the track in each lane in each zone

which is 20 meters (65'8") prior to the exchange zone center line. The distance between this Acceleration Zone mark and the Exchange Zone Beginning line shall be called the "Acceleration" or "Fly" zone. The purpose of this zone is to allow the outgoing runner to accelerate to sprinting speed for the baton exchange.

There shall not be an Acceleration Zone used in the 4x400 meter (4x440 yard) Relay.

SECTION 8.04 RELAY BATON SPECIFICATIONS

The baton is the implement that is used in a relay race and is handed by each runner to a succeeding teammate.

The baton shall be a smooth, hollow tube, circular in section and made of wood, metal, or other rigid material that is made in one piece.

The baton shall be not less than 280 millimeters (11.02 inches) or more than 300 mm (11.81") in length. Its weight shall be not less than 50 grams (1.764 oz) and its circumference shall be from 11.43 cm to 12.7 cm (4.5" to 5").

The use of tape or any other material on the baton is prohibited.

SECTION 8.05 POSITION OF RUNNERS

In the 4x100 meter Relay, the receiving runners may not be positioned outside of (prior to) the Acceleration Zone mark or over the Exchange Zone end line at any time during the race without legal possession of the baton.

In the 4x100 meter Relay, the outgoing runner may take his/her position on the track in his/her assigned lane and commence running at any point between the Acceleration Zone mark and the Exchange Zone end line.

In the 4x100 meter Relay, The runner who has completed his/her run and handed the baton to the outgoing runner must remain in his/her lane until the zone judge has raised a flag to indicate either valid or disqualified hand offs after all exchanges have occurred. Leaving the lane before the zone judge raises a flag will result in disqualification.

In the 400 meter Relay, the outgoing runner shall not position him/herself outside the Exchange zone until in legal possession of the baton.

In the 4x400 meter Relay, only two runners from the same team may be on the track at the same time; one of the two runners must be located in the Exchange zone.

SECTION 8.06 LANE REQUIREMENT

In the 4x100 meter Relay the entire race must be run in lanes. All exchanges in the 4x100 meter Relay shall occur in lanes.

All members of the same team must occupy the same lane.

In the 4x400 meter Relay, the first leg shall be run in lanes and the first exchange shall be made in lanes. In the first exchange, teammates shall occupy the same lane as the starting runner for that team.

In the 4x400 meter Relay, the second and third exchanges shall be made in the same relative position as their incoming teammate; the leaders will pass in lane 1, the second place team in lane 2, etc. When no interference is possible, teams may move to the next available inside lane.

SECTION 8.07 CARRYING THE BATON

The baton shall be carried in the hand of the runner.

SECTION 8.08 MARKERS

Competitors shall be allowed to place check marks or markers in their lane only. Any markers used must be immediately removable (before the next race), and not damaging in any way to the track surface. Athletic tape is recommended.

The host Association shall have the right to specify the type of mark or markers used on the track.

SECTION 8.09 LEGAL PASS

The passing of the baton must take place within the Exchange Zone in any relay.

The pass shall be judged by the position of the baton and not the hands, arms, legs, feet, or body of the competitors.

The pass shall be judged as starting when first touched by the outgoing runner. A pass shall not be legal if started before the baton is fully and completely over the first Exchange Zone line.

The pass shall be judged as complete when the baton is solely in the hand of the outgoing runner. A legal pass must be complete before any part of the baton is over the last Exchange Zone line.

The baton must be handed, not thrown, by each runner to the succeeding runner

After passing the baton, the runner must remain in his/her lane until the zone judge raises a flag to indicate the validity of all passes and to indicate that all passes have been completed.

SECTION 8.10 DROPPED BATONS

If the baton is dropped outside the Exchange zone, the runner who dropped it must retrieve it.

If the baton is dropped within the Exchange Zone, either runner may retrieve it provided it is retrieved within the limits of the Exchange Zone.

Runners may leave their lane without disqualification to retrieve a dropped baton provided no other runner or team is impeded or fouled.

A member of a relay team may not run outside the Exchange Zone for the purpose of taking the baton from a faltering or fallen teammate.

SECTION 8.11 AFTER PASSING THE BATON

The incoming runner shall jog or stand still in his/her lane after passing the baton until all teams have exchanged batons, the competition has safely passed and the zone judge has raised his/her flag to indicate all runners are clear. Leaving the lane prior to the zone flag being raised will result in disqualification.

SECTION 8.12 RELAY INFRACTIONS ("FOULS")

It shall be an infraction and the entire relay team disqualified if any member of the team:

- (a) Passes the baton outside the Exchange Zone.
- (b) Recovers a dropped baton illegally.
- (c) Carries the baton in any manner other than in the hand.
- (d) The last runner finishes without the baton.
- (e) After passing, leaves his/her lane before the zone judge raises a flag to indicate that all passes have occurred.
- (f) Assumes a position at any time during a relay race run in lanes that breaks the plane of the adjacent lane and interferes with an opponent.
- (g) In the 4x100 meter Relay, takes a position on or before the Acceleration Zone mark or past the last Exchange Zone end line during the race without the baton.
- (h) In the 4x400 meter Relay, takes a position on the track outside the Exchange Zone without the baton.

- (i) In the 4x400 meter Relay, the second runner (leg) moves to lane one before the baton is over the finish line.
- (j) Does not pass the baton by handing it to a teammate.
- (k) Throws the baton following the finish of the race.
- (l) A member runs more than one leg.

In addition to the above infractions that are specific to the Relays, the General Running event infractions shall also apply.

7 TITLE 7: FIELD EVENTS

ARTICLE 1 - FIELD EVENTS - GENERAL

SECTION 1.01 WEIGHTS OR AIDS

The competitors shall use no artificial weights or aids.

SECTION 1.02 CHECK-IN, EVENT PRIORITY/"CHECKING OUT"

Athletes will report promptly to the Field Event Judge at the location of the field event when the event is called.

Competitors shall be allowed to temporarily leave the competition ("Check out") by requesting from the Field Event Judge that he/she be excused for the purpose of competing in another event. See Section 3 paragraph 2.27 for a discussion of the use of surrogates to report to running events for field event athletes so as to allow them to remain at the field event as long as possible before leaving to run.

Competitors shall not check out for another event until the third call for the other event.

Competitors shall have five (5) minutes to return to the event after competing in the other event.

In the case of conflicting event schedules, the following priorities apply:

- (a) Third call on any running event.

(b) High Jump attempts

(c) Other field events

If the competitor does not notify the event judge he/she is "checking out", the competitor shall forfeit all attempts for which he/she has been called and was not present. Credit will be given for all completed attempts and remaining attempts will be allowed if the competitor returns before competition has ended.

Event officials shall not be required to hold open an event past the time limit for closing the event to accommodate "checked out" athletes for any reason.

SECTION 1.03 WARM UP TRIALS

The competitors shall be allowed three warm up trials prior to competing in the event, except that Gremlins are allowed two warm-up trials (Gremlins do not participate in the High-Jump nor the Shot-Put)

In the High-Jump and the Shot-Put if an athlete "Checks out" prior to completing all of his warm-up trials, he is permitted, at the discretion of the field event Head Judge, to finish his warm-ups when he returns to the event.

SECTION 1.04 COACHES AND OTHERS IN THE COMPETITION AREA

Gremlin Coaches only shall be allowed in the competition area on a non-interference basis. At the event official's request, the Coach shall remove him/herself from the area.

Bantam, Midget, Intermediate and Youth coaches shall only be allowed in the competition area before the event starts only.

Non-coaching adults, non-participating athletes, and spectators shall not be in the immediate area of competition. Spectators may position themselves to observe the competition in any way the facility allows that does not interfere with the competition.

SECTION 1.05 MEASURING TAPES AND DEVICES

Commercially made measuring tapes of either steel or fiberglass shall be used to measure in the field events. Measuring devices other than measuring tapes, such as the Datum Line recorder, shall not be used.

SECTION 1.06 MEASURING

All field events shall be conducted, measured, and recorded in Imperial Units (feet and inches). For the Long Jump and Shot Put, the assistant judges shall hold the tape in such a way that the reading will be at the takeoff board or circle so that the contestant will immediately know the result of his effort to the nearest 1/4

inch.

All attempts that are not failed attempts shall be measured.

Failed attempts ("Fouls") shall not be measured.

SECTION 1.07 RECORDING

The Event Officials shall record the result of all attempts.

SECTION 1.08 ORGANIZING COMPETITION

Competitors in the same age group division shall compete at the same time.

Competition in an age group division may be organized using several methods. The following are suggestions: For high jump, it is desirable that all of the athletes in an age group jump together as the bar is raised. Jumping several heats would require more time because of the need to carefully measure the bar each time it is raised.

SECTION 1.09 NUMBER OF TRIALS

HIGH-JUMP: A maximum of three trials at one height.

LONG-JUMP: A maximum of four trials, except that Gremlin athletes are allowed three trials.

SHOT-PUT: A maximum of four trials.

If, in the sole opinion of the Head Event Official, a competitor was interfered with during his/her trial, the Head Event Official may grant a re-trial.

SECTION 1.10 TIME LIMIT FOR TRIALS

Except as modified in the High Jump Competition, a competitor shall have ninety (90) seconds from the time his/her name is called to initiate an attempt that is carried through to completion. If the competitor does not initiate his/her trial within ninety (90) seconds, it shall count as a failed attempt.

SECTION 1.11 TIME LIMIT FOR EVENT

The Event Officials shall not be required to "hold open" an age group division competition longer than ten (10) minutes after the last competitive trial of the athletes present has been taken, or 10 minutes after the completion of a different event for which the athlete was excused (checked out). Any competitor who has not resumed his/her trials by that time shall forfeit any remaining trials whether checked out to another event or not. In the high jump event at the Southern California Youth Invitational Meet and the Conference Championships, Conference Finals and Southern California Youth Championship Meets, athletes may complete their jumps at the current height, and if the excused athlete has cleared the height, the bar may be raised and the athletes present may attempt that height. Then the bar must be held until the excused athlete

returns. At all other meets, the bar may continue to be raised, and it can be lowered to accommodate returning athletes after the main group has completed their jumps.

SECTION 1.12 BEST EFFORT

A competitor shall be credited with his/her best effort on any fair trial for finish placement.

SECTION 1.13 PASSING AN ATTEMPT

A competitor may request to "Pass" a trial. A "Pass" is defined as not desiring to take that trial. In Long Jump and Shot Put a pass acts as a jump or put of 0.00 inches.

Each Passed attempt shall count as a trial and shall be recorded on the Event Results Sheet as a "P".

SECTION 1.14 ORDER OF COMPETITORS

The order in which the competitors take their trials shall be determined by the Head Event Judge at that event site.

The Head Event Judge may alter the order of competition in order to accommodate athletes who compete in other events.

Any reasonable request from a coach or athlete to alter the order of competition shall be honored by the Head Event Judge if it does not otherwise violate these rules.

In order to accommodate athletes returning from other events, the Head Event Judge may permit an athlete to take his/her trials in succession.

ARTICLE 2 - HIGH JUMP

SECTION 2.01 FACILITY AND EQUIPMENT

The High Jump facility consists of a run up area and the landing pit. Equipment used includes the landing mats, standards to hold the cross bar, and the cross bar.

The landing pit shall be not less than sixteen (16) feet wide by twelve (12) feet deep. It is preferable that the pit be constructed of twenty four (24) inch foam rubber mats covered by a single piece "top" or cover designed for that purpose and secured to the foam mats.

The cross bar shall be not less than 13' 1" (3.98 m) nor more than 13' 2 1/2" (4.02 m) in length. It shall be at least .984 inches (25 mm) but not more than 1.181" (30 mm) in diameter.

The cross bar may be constructed of only fiberglass or composite solid material and must be circular in cross section. Triangular or square cross bars shall not be used. Metal and wooden cross bars shall not be used.

The cross bar shall not weigh more than 4.4 pounds (2 kg).

The ends of the cross bar shall be constructed such that a flat surface exists for the purpose of placing the bar on the supports on the uprights. The use of Noftziger rings to provide the flat surface is permitted. The flat surface that rests on the supports must be smooth and not covered with tape, or any other material that has the effect of increasing the amount of friction required to move the bar.

Any style of uprights or posts may be used provided they are rigid and capable of being adjusted to the starting heights and increments used in the youth program. They must also have a flat surface to support the cross bar, which should be rectangular planes approximately 1 ½ inches by 2 3/8 inches. The surface upon which the bar rests must not be covered with tape, rubber or any other material that has the effect of increasing the amount of friction required to move the bar.

A level take off area that is solid must be provided. The entire run up area should be level and without hazards (long grass, pot holes, etc.). A solid surface (such as "all weather" rubberized material), which does not cause slippage when spiked shoes are used, is preferred.

The Meet Director shall ensure sufficient area exists for the run up area for both left and right hand approaches to the bar.

The uprights must be placed with the rectangular surfaces such that the longer dimension shall point toward the opposite upright. The uprights shall be a minimum of twelve (12) feet apart. The cross bar shall not touch any part of the uprights except the rectangular surfaces.

SECTION 2.02 MEASURING

The height of the cross bar shall be measured prior to the first attempt of each age group competition and at each successive change in the height of the bar.

The height of the bar shall be measured at the lowest point (the center) of the bar when it is placed on the standards. The measurement shall be taken on a line that is vertical (perpendicular) to the bar and ground. All measurements are to be made in the Imperial system using feet and inches, measured to the nearest inch.

The bar shall be replaced each time it is dislodged in exactly the same position. It is recommended that the officials mark the bar as to which side is front and/or "up" to aid in replacing the bar.

SECTION 2.03 RECORDING

The result of each trial at each height shall be recorded as follows:

- (a) Successful attempts shall be recorded as a "0".
- (b) Failed attempts, or "misses", shall be recorded as "X".

- (c) Passed attempts shall be recorded as a "P".

SECTION 2.04 ORDER OF COMPETITION

The order of Age Group Competition shall be as follows:

For One Pit:	BG, BB, MG, MB, YG, YB, IG, IB
For Two Pits:	Pit #1 - BG, MG, YG, IG Pit #2 - BB, MB, YB, IB

SECTION 2.05 NUMBER OF ATTEMPTS

Each competitor shall be given a total of THREE (3) attempts at each height. A competitor may pass at any time to a greater height, but will be out of the competition after three successive misses regardless of the height attempted.

SECTION 2.06 TIME LIMIT FOR ATTEMPTS

A competitor shall have a total of ninety (90) seconds from the time his/her name is called to initiate an attempt. If an attempt that is carried through to completion is not begun within the ninety (90) seconds, it shall be counted as a failed attempt ("miss").

When there are three (3) or fewer competitors remaining in the competition, the time limit shall be extended to two (2) minutes to initiate an attempt.

SECTION 2.07 MARKERS

Each competitor shall be allowed to place up to three (3) markers (3" in length) in the run up area. All markers must be removed immediately after competition, and must not damage the apron surface. Athletic tape is recommended.

SECTION 2.08 RESOLVING TIES

If a tie exists for any finish place, it shall be resolved as follows:

- (a) The competitor with the fewest attempts at the tied height shall win the place. If both have the same number of attempts at that height, then,
- (b) The competitor with the fewest number of misses (failures) up to and including the last three misses

in the competition shall get the tied place (passes do not count as misses). If both competitors have the same number of misses in the competition and are still tied, then,

- (c) A tie for the place shall exist at all regular season meets and the Conference Finals meet.
- (d) To break First Place Ties at the Conference Championships meet only, there shall be a jump-off to be conducted as follows: The tied competitors shall be given an attempt at the next height attempted above the tying height. If no decision is reached, the bar shall be lowered (if all have failed) or raised by one (1) inch (if two (2) or more have cleared). Each competitor will be allowed one (1) jump at each height until the tie is decided. No passing is allowed during a jump off.

There is one possible exception to this process: If one or more of the competitors must leave the jump-off due to third call in a running event, the high jump official may declare a tie.

Example # 1 (at the Conference Finals, dual or tri meet):

X=Failure O=Cleared P=Pass

Name ↓	Height and Performance						Total Failures	Total Attempts	Jump Off			Final Place
Height→	3' 6"	3' 8"	3' 10"	4'	4' 2"	4' 4"						
Bill	O	X	O	X O	X X X		5	8				1
Sam	X O	O	P	X O	P	X X X	5	8				1
Ed	P	X O	X O	X O	X X X		6	--				3

Example # 2 (at the Conference Championships meet):

X=Failure O=Cleared P=Pass

Name ↓	Height and Performance						Total Failures	Total Attempts	Jump Off			Final Place
Height→	3' 6"	3' 8"	3' 10"	4'	4' 2"	4' 4"			4' 4"	4' 3"	4' 4"	

Bill	0	X	0	X 0	XXX		5	8	X	0	0	1
Sam	X 0	0	P	X 0	P	XXX	5	8	X	0	X	2
Ed	P	X 0	X 0	X 0	XXX		6	--				3

SECTION 2.09 UNSUCCESSFUL ATTEMPTS (FOULS)

It shall count as a failed attempt (or "miss") if the competitor:

- Fails to initiate a completed attempt within 90 seconds of being called. (Two minutes with three or fewer left in the competition.)
- In an attempt, breaks the plane of the cross bar with any part of his/her body including hands, arms, feet, head or uniform.
- Dislodges the bar. It is still counted as a miss if the bar is dislodged even after the competitor has left the pit or if the attempt was aborted.
- Does not take off on one foot.
- "Somersaults" over the bar.

SECTION 2.10 BAR PROGRESSION FOR DUAL, TRI, SOUTHERN CALIFORNIA YOUTH INVITATIONAL AND CONFERENCE FINALS MEETS

The following table lists the opening heights for each age group.

BG	BB	MG	MB	Y/IG	Y/IB
3' 0"	3' 0"	3' 0"	3' 3"	3' 5"	3' 6"

The bar shall be raised in two (2) inch increments until the bar is at Conference Championships height. Then it shall be raised in one (1) inch increments until one (1) competitor remains. When one (1) competitor remains in competition, the bar shall be raised by any increment that the competitor requests, but not less than 1/4 inch.

SECTION 2.11 BAR PROGRESSION FOR CONFERENCE CHAMPIONSHIPS AND SOUTHERN CALIFORNIA YOUTH CHAMPIONSHIP MEETS

The starting height for the bar shall be four (4) inches below the Conference Championships height. This is regardless of the mark of the lowest seeded competitor. The starting heights are shown in the following

table:

BG	MG	YG	IG	BB	MB	Y/IB
3' 3"	3' 9"	4' 0"	3'9"	3' 5"	4' 1"	4'8"

The bar shall be raised in two (2) inch increments until four (4) or fewer competitors remain in the competition. Then the bar shall be raised in one (1) inch increments. When one competitor remains, the bar may be raised in any increment the athlete may specify, but no less than 1/4 inch.

SECTION 2.12 PASSING AN ATTEMPT

The competitor may request to "pass" a certain height. A "Pass" is defined as not desiring to jump.

The competitor may indicate to the Official that no attempt is desired at the current height. If this indication is not made specifically by the competitor, then it shall be assumed that the "pass" indication is for this attempt only and that the competitor shall be called in his/her proper turn before the bar is raised to the next height.

Each passed attempt shall be recorded. In the case that the competitor has indicated passing to the next height, all three attempts at the current height shall be recorded as "P"s.

A "Passed" attempt shall not be charged as a miss or as a trial for purposes of breaking any ties that may result.

SECTION 2.13 ELIMINATION FROM COMPETITION

A competitor is eliminated from further competition when he/she has failed on three successive attempts. These successive failures are usually at the same height, but if a competitor misses at one attempt and then passes to the next height, two successive misses at that height combined with the previous miss will eliminate the athlete from competition. Each cleared attempt entitles the competitor to three more attempts at higher heights.

SECTION 2.14 LOWERING THE BAR

During dual meets, and the Conference Finals meets, the officials may lower the bar to accommodate athletes returning after being "checked out" to another event.

At the Conference Championships and Southern California Youth Championship Meets, the bar may not be

lowered with the exception of the procedure for breaking a first place tie.

Athletes may leave the high jump at third call for a running event, but must return within 5 minutes after conclusion of the event to continue the competition.

The competitors must have properly checked out with the High Jump Officials. At dual and the Conference Finals meets the bar shall not be lowered for any one not properly checked out. If not properly checked out, on their return they may rejoin the competition at the current height as if they had "passed" all attempts for which he/she was called and was not present.

At Dual and the Conference Finals meets, the officials have the discretion not to lower the bar while the current competition is underway. After the competition of competition for the affected age group the bar may be lowered to the lowest height necessary to resume competition for the returning jumpers. The bar shall be raised by the standard increment, with other returning jumpers joining the competition at their proper height.

ARTICLE 3 - LONG JUMP

SECTION 3.01 FACILITY AND EQUIPMENT

- (a) The long jump facility consists of a runway where there is a "take off" board, and a landing pit.
- (b) The runway may be of indefinite length with the minimum length from the take off board suggested at one hundred twenty (120) feet. The minimum width suggested is forty two (42) inches. The surface should be firm and be capable of withstanding the use of spiked shoes without damage.
- (c) The take off board should be a wooden board the full width of the runway and from eight (8) to twenty four (24) inches in width. It should be painted white and have its top surface level with the runway surface. It should be anchored securely and not move during competition. On all weather surfaces, a painted line may suffice for the wooden board.
- (d) The High School board is located so that the "scratch" line is approximately seven (7) feet from the landing pit. This distance is excessive for the skill level of most of our athletes, temporary boards should be used.
- (e) The edge of the board that is closer to the landing pit shall be known as the "scratch" or "foul" line. For definition and judging purposes, it shall be defined as having no width and extending infinitely in either direction from the runway.
- (f) The suggested dimensions of the landing pit are nine (9) feet wide and fifteen (15) feet long. It shall be filled with sand or other material that will cushion the landing of the athletes and retain definitive marks of their landing. It shall be as free of foreign objects as possible.

SECTION 3.02 MEASURING

Each competitor shall be credited with (on fair jumps) the distance measured on a straight line which is perpendicular to the "scratch" line and between the mark in the landing pit which is closest to the "scratch" line and the "scratch" line itself.

The mark in the landing pit may be made by any part of the body, the hands, arms, or clothing of the competitor.

The officials shall hold the tape so that the distance is read at the "scratch" line.

All measurements are to be made in the English system and rounded down to the nearest 1/4 inch. Example: A measurement that is easily more than 10.5' shall not be rounded up to 10.5¼ unless the measurement shows that it has met or exceeded 10.5¼.

SECTION 3.03 RECORDING

Each athlete will be given 2 practice attempts and 3 if gremlin and 4 recorded meet trials or attempts in all of our meets. Failed attempts or "fouls" shall be recorded as an "F" or "FOUL" on the Field Events Sheet.

SECTION 3.04 ORDER OF COMPETITION:

The order of age group competition for regular season and Conference Finals meets shall be as follows:

For One Pit	GG, GB, BG BB, MG, MB, YG, YB, IG IB
-------------	--------------------------------------

If the track and field stadium should have only one pit, each division shall have an open pit for 75 minutes or 1 hour and 15 minutes (Gremlins, Bantams, Youth/Intermediate, etc.) per division. Starting open pit for Gremlins would be 8:30 to 9:45; Intermediate Boys & Girls 9:45 to 11:00; Midgets 11:00 to 12:15; Youth Girls & Boys 12:15 to 1:30; and Bantams 1:30 to 2:45.

For Two Pits	GG,GB, BG, BB, MG, MB, YG, YB, IG IB,
--------------	---------------------------------------

If a track and field stadium should have two pits, then the time of competition will be called in order by the long jump judges running each pit based upon the above chart in order.

The order of competition for the Southern California Youth Invitational Meet, shall be per the Director of each of the respective meets, although the standard order for this meet is as follows:

Timed Open Pit Format (Athletes are to start and finish between hours indicated)

8:30 am - 10:30 am

12:45 pm - 2:00 pm

BB - ES-Pit 1, **MG** - ES-Pit 2

YB - ES - Pit 1, **YG** - ES - Pit 2

10:45 am - 12:30 pm

2:15 pm - 3:00 pm

MB - ES-Pit 1, **BG** - ES-Pit 2

IB - ES - Pit 1, **IG** - ES - Pit 2

SECTION 3.05 MARKERS

No markers of any kind shall be placed on the runway or in the landing pit.

Markers may be placed alongside the runway, but not on the runway. These markers must not damage the track or field alongside the runway, and must be removed immediately following the competition

It shall be permissible to have one measuring tape stretched alongside the each runway used during the competition.

SECTION 3.06 RESOLVING TIES

If a tie exists for any finish place, the second best jump of the tied competitors shall be used to "break" the tie. If a tie remains after comparing the second best jumps, the third jumps of the tied competitors shall be compared. At the Conference Championships meet the fourth jumps may be used to break a tie too. If all jumps of the tied competitors are equal, a tie shall exist. All passes and fouls shall be considered to be jumps of 0.00M for the purpose of resolving any ties.

Ties shall not be resolved by "jump offs" or any type of further competition.

SECTION 3.07 UNSUCCESSFUL ATTEMPTS (FOULS)

It shall count as a failed attempt (or "foul") if the competitor:

- (a) Fails to initiate a completed attempt within 90 seconds of being called for 3 athletes or less and 2 minutes for a group.
- (b) Runs past the "scratch" line or "scratch" line extended without initiating a jump.
- (c) His/her foot (shoe) is over the "scratch" line.
- (d) Takes off outside the take off board (to the left or right). This is not to be construed as prior to the board.
- (e) Lands with any part of his/her body outside the pit.
- (f) Touches the ground outside the landing pit nearer to the take off board than the nearest mark made in the pit.
- (g) After landing, walks back through the pit and makes a mark closer to the take off board than the one made when landing.
- (h) "Somersaults" or fails to keep his/her head in the superior (up) position.
